WASHINGTON, Sept. 25. The following official dispatches have held. HEADQUARTERS SECOND DIVISION, ) DISTRICT OF JACKSON, Bolfvar, Tenn., August 30, 1862.

Col. Legget, commanding first brigade, was sent out by me this morning on the Grand Junction road to drive off a force of the enemy's cavalry, supposed to be 150 strong, and reconnoiter the country. When arriving on the ground, Colonel Leggert became engaged with a large force of the enemy's cavalry. The engagement lasted about seven hours. About 4 o'clock P. M., the enemy drew back, and Col. Legget recelving reinforcements about that time, did not renew the attack. Ithen or time, did not renew the attack. I then or-dered Col. Legget to fall back with his entire force to a position inside our picket line, where he is now stationed expecting a renewal of the attack at daylight. The loss in killed and wounded is about 25. Lieutenant Colonel Hogg, of the 2d Illinols Cavalry, is among the number. The force of the enemy angaged was seven regiments of cavalry.

Yours, respectfully, (Signed.) M. M. CROCKER, Col. 13th Iowa, Com'd'g 2d Division. JACKSON, TENN., Sept. 6. To Capt. M. J. Kimball, A. D. C .:

Sin: -I have the honor to report the following concerning the recent engagements along the line of the Mississippi Central railroad, and in the vicinity of Medon

Immediately after the repulse of the enemy at Bolivar, large bodies of his cav-slry attacked the different detachments scattered along the line of the Mississippi good shipping brands extra R H O; \$6 tech 57 for trade brands; market choing quist and firm. Canada Boone's Station. The detachment being small, after sharp skirmishing retired to Safor common; \$5 8866 75 for good to cholce extra Medon Station, at which point, and near the depot, a barricade was constructed of dull; sales 660 bbls at 324633c. the depot, a barricade was constructed of cotton bales, under the direction of Adjutant Frohrock.

M. M. CROCKER. NEW YORK, Sept. 25. A Sharpsburg letter to the Philadelphia stated that our loss in the battle of Antietam was 9,220 killed, wounded, and missing, and the loss of the enemy, judging from the appearance of the battle-field must exceed 15,000. Dr. Duffie, Brigade Surgeon on Sigel's staff, arrived at Phila-

10.000 troops. WASHINGTON, Sept. 25. The Postoffice Department has received ntormation from various sources, that certain persons persistently divert postage stamps from their legitimate purposes, by calculating them in packages together with cancelled stamps as currency. Owing to this use of the stamps, the Department is embarrassed in the supply for mail pur-poses. The public, therefore, are interested in discountenancing their circulation as currency. In all cases of intraction of the law coming to the knowledge of the Post office Department, the parties will be prose-cuted, as it is a grave offense. This, of course, has no connection with the specially designated stamp currency.

St. Louis, Sept. 25. The court martial appointed for the trial of Geu. McKlnstry, assembled this morning. In the absence of Gen. Harncy (who has been ordered to Washington, and left for the East this morning), Gen. B. Graham as selected as acting President. Charges and specifications were called for, but the gentleman having them in charge could not be found. After a discussion of pre liminary matters, the court adjourned to meet on Friday.

WASHINGTON, Sept. 25. Surgeon General Hammond has returned from the battle-field between Manassas and Bull Run. He reports that our people have burled 3,000 rebels left dead and unburied on the field, though it will be remembered the rebels held the field after that bloody Officers' Dress and Fatigue Suits engagement. He adds that there yet remains 600 rebel corpses to be interred.

These interments, under the direction of our army medical department, are in addi-tion to those made by the rebel army previous to its leaving for Maryland, which must have been numerous. There can be no doubt, therefore, that the rebels killed far outnumbered ours in that battle.

WASHINGTON, Sept. 25. Col. Lordan of the sharp shooters is under treatment in this city for hemoptysis, consequent upon contusion received on the 30th ult. Dr. Clyner attends the case in person, while there have been some complaints as to the treatment of soldiers in ospitals here, and which was at once sought to be remedied by the Surgeon General. The sanitary arrangements are, in general, excellent, and attentions bestowed ar sick and wounded of a charac-ter of the greatest possible good.

FORTRESS MONROE, Sept. 23. Yesterday evening the steamer Thomas Swan arrived with seventy seccssion pr'sately sent to Aiken's Landing.
It is understood that all of l'ope's officers

now at Richmond, are to come down the river next Saturday for exchange. A flag of truce boat arrived this morning from Aiken's Landing, but brings no news or papers. WASHINGTON, Sept. 23.

And, fie upon us! the confederate flag now floats from the dome of our Capitol, and we have made but one sland against the invaders, and that terminated in our most disastrous rout. Kentuckians, we turn and fiee. Now is the time to show on which side we will fight. If we do not fight to maintain the honor of our State; free, and independant sires. All are now if we do not fight to hold Kentucky in the Union, where we placed her by our votes at the polls three times cast; if we do not fight for our homes and fire-sides, for clothes, provisions found, and one hundred dollars in money and one hundred and sixty acres of land as bounty at the end of the war or three years service, and ninetysix dollars per year invalid pension if distors. The usual advance pay and bounty abled in the service, ninety-six dollars pension to widows and orphans of indigent parents if killed or we die of disease contracted in the service. Jeff. Davis, under the conscription act of the Confederate Congress will force us at the point of the bayonct to fight for the Southern Confederacy, without pay, without food, without clothes, without bonor.

The undersigned is recruiting the

Eleventh regiment of Kentucky cavalry, established at Munfordville, Hart county, and has now in camp on the Fair Grounds, immediately on the Louisville and Nashville near this place, eight companies, five of which are full. Four more full companies are needed to fill the regiment. These are recruited, but are cut off from coming to with supplies. Our friends who feel it to camp by the Confederate lines, and cannot be their duty to aid in putting down this be waited for. Forty dollars bounty and rebellion (and who does not?) cannot do betadvance pay will be paid to each recruit upon his being mustered into service. W. E. RILEY. sel2 dtf
